

Experienced Climber Required

Treescape Certified Arborists is a well established company serving Peterborough and the Kawartha Lakes. We service all facets of the tree care industry and specialize in tree preservation and hazardous removals. We are presently seeking the following position:

Lead Climber / Arborist

- ISA Certified Arborist, or equivalent.
- Minimum 3 years climbing/large removal experience
- Fall Arrest and EUSA line clearing training (or equivalent) with experience in operating an aerial device and performing line clearing
- Valid Class D or A license with clean driver abstract
- Solid working knowledge of Plant Health Care
- Opportunity to transition into a sales/management position for the right individual.

It would be an **asset** if applicants for all positions possessed:

- Current Standard First Aid and CPR
- WHMIS training
- Work Area Protection training (also known as MTO Book 7)

Successful candidates will **enjoy**:

- competitive wages based on skill level, experience and performance
- a positive and safe working environment
- a current and well-maintained fleet of trucks and equipment
- equipment/clothing allowance
- working amidst the scenic Kawartha Lakes

In addition to these qualifications, the successful candidate will possess a strong work ethic and be a professional and courteous individual with excellent communication skills. Treescape is "Rooted in Excellence" and our success is based on our dedication to improving our collective skill sets and learning new practices. We are seeking individuals who share the same desire and dedication to succeed. Please forward all resumes with a covering letter to:
